FARMERS HEAR KENT TALK AT LAS CRUCES

Special to The News
LAS CRUCES, N. M., Jan. 14.—Ad-
dressing the final session of the State
Farm Bureau Conference in connection
with the extension conference at State
College January 11, Dr. H. L. Kent,
president of the New Mexico College of
Agriculture and Mechanical Arts, urged
the executive committee to plan for
slow, steady progress, rather than
hurry, saying, in part:
"I am sure you will accomplish a
great deal more with live, active or-
ganizations in five or six counties than
with weak bureaus in 15 or 20 coun-
ties."
"Another thing I should like to see
the farm bureau adopt as a policy, and
that is the choosing of conservative
leaders."
